LETTER OF RECOMMENDATION

We had the pleasure of working with **Geetika Nag** as a Content Writer Intern at **GLOBCYS** between **January 5th, 2024 and April 5th, 2024**. Throughout her three-month internship, Geetika Nag impressed me with her writing ability.

Her ability to create interesting and educational content in a variety of formats was a great help to our staff. She was able to modify her writing style to suit the intended readership, demonstrating a thorough awareness of them.

While **Geetika Nag** is still developing her management skills, her enthusiasm and willingness to learn are commendable. With experience, I am confident she will become adept at prioritizing tasks and meeting deadlines.

Overall, I recommend **Geetika Nag** for content writing position. Her strong writing skills, combined with her eagerness to learn, make her valuable asset to any team.
